## The Democrat Agenda

### Defund.

✗ Democrats support defunding our police, border patrol, and military, which leads to more violent rioting and looting, open borders, and jeopardizes our national security

### Destroy.

✗ Democrats support raising trillions in new taxes on families and local businesses to pass their radical agenda, which would destroy our economy and cede further ground to China

### Dismantle.

✗ Democrats voted to impeach President Trump to undo an election and support dismantling our Constitutional rights and freedoms in favor of more socialist government control over our lives
